

Winterisation **Schedule**

Norfolk Smuggler

This is the bare minimum that your boat requires to be used for the following year. We would recommend that your boat is properly serviced next year.

Please note, as this is a basic winterisation service, your boat will not be surveyed for recommended repairs or treatments above and beyond the items listed.

- 1** Pressure clean hull, deck and cockpit

- 2** Engine service and winterisation (including stem gear) *(see page 2 of the Gypsy service download for the Basic service: Points 7 to 32 apply www.neilthompsonboats.co.uk)*

- 3** Six months storage (including cover and dehumidifiers)

- 4** Re-antifouling in the Spring (including white boot top)

- 5** Patch and re-treat rubbing strakes and cockpit cappings

- 6** Polish top sides

Total Price £1,740.60

Extras

Engine service & Storage £60.00
