

Winterisation **Schedule**

Norfolk Urchin

This is the bare minimum that your boat requires to be used for the following year. We would recommend that your boat is properly serviced next year.

Please note, as this is a basic winterisation service, your boat will not be surveyed for recommended repairs or treatments above and beyond the items listed.

- 1** Pressure clean hull, topsides and interior
- 2** Six months storage including hire of heavy duty winter yard card
- 3** Re-antifouling in the spring
- 4** Re-treat rubbing strakes in spring
- 5** Polish top strakes

Total £526.80

Extras

Haulage per return mile (minimum charge £109.80) £1.22 per mile
Engine service & Storage £60.00
